KENNETH B. WARNER, EDITOR

March 6, 1935

Mr. Herbert Wareing
Milwaukee, Wisc.

Dear Wareing:

We are preparing a symposium article for May QST on ten-meter stations. Would you mind jotting down notes on the work you have done; circuits of your rig and antenna system?

Some photographs would be appreciated and we would be glad to reimburse you a reasonable sum to have these taken by a commercial photographer.

We must have this material by the 25th of March. The old ten-meter gang is starting to get impatient and we are hoping for big things this summer. Two W6's rolled into West Hartford on ten last Sunday.

73,

Clark C. Rodimon

Clark C. Rodimon, W1SZ
